Intel Employee Engagement Strategy on Sustainability	
Learn 	• Visibly integrate our commitment to sustainability into our vision, objectives, and compensation • Educate employees on our sustainability actions through internal communications channels and a regular speaker series
Act	• Empower employees to take action by funding their environmental project proposals through the Sustainability in Action Grant Program
	• Recognize employees for their achievements and inspire others to take action through the Intel Environmental Excellence Awards
	• Create new tools that facilitate integration of sustainability factors into employee decision-making
Share	• Provide support for "green" teams that help employees collaborate and connect with each other • Connect employees through internal social media channels and our Green Intel portal

Our "Learn, Act, Share" model helps employees understand sustainability issues, priorities, and goals; work together to take action; and share information about our priorities with others.
